FORNI ELETTRICI PER PIZZERIA E GASTRONOMIA
ELECTRIC OVENS FOR PIZZERIAS AND GASTRONOMY

CITIZEN E

IT A seconda della tua specialità, puoi cuocere non solo pizza tonda, in pala o in teglia, ma anche molte altre ricette di gastronomia. Puoi scegliere la versione mono o bicamera e costruire il forno secondo le tue esigenzedi produzione. È possibile scegliere di rivestire l'intera camera di cottura in materiale refrattario.

EN *Based on your specialization, you can cook not only different kinds of pizza (round, on the shovel or in pan) but also a wide range of gastronomy dishes. You can choose between the modular and double deck version, and build up your oven according to your production needs. You also have the possibility of fully lining the chamber with refractory material.*
